

YTA DRAMA TASKS 09.05.20

Have a go at the drama task for your group below. A new task will be set each week. Feel free to send in videos of your work!

BAKE OFF

This week we have a drama task for all of our YTA students:

During lockdown, many of us have been baking lots of delicious cakes, bread, treats and yummy things to eat. We are therefore going to challenge all of you to make something delicious at home and film the process as if you were a cook on a cookery programme. Think 'The Great British Bake Off' and use your best presenting skills.

If you are a younger student, you will need a grown up to help you with this so ask an adult at home to do this with you. Remember to ask an adult for permission first

You might like to make something that doesn't involve cooking like trifle or Rocky Roads etc...

It's entirely up to you how you go about this – being as creative as you like!

Think about using a clear voice and keeping your audience interested and engaged. Use instructions to explain to your viewers how to make your recipe.

Then send in your cookery videos to us by Friday 15th May – we can't wait to see them!
